SECURE THE BLOOD OF THE GREAT SIRE

IMP. VILLAGER 295884

THE MORE one has the opportunity to study the get of Villager, premier sire at Uppermill, the more one is impressed with the fact that in him Weaver & Garden own one of the greatest breeding bulls of the times. Judged by the type, breed characteristics, quality, uniformity and early maturing qualities displayed by his get, Villager is a success. Judged by the performance of his get in the show rings of recent years, and particularly of the 1912 circuit, when his get, comprising Young Herd, Calf Herd, Senior and Junior Calves, never met defeat, Villager has attained distinction heretofore accorded to few sires of the breed.

THERE IS A REASON

It is revealed in a study of the bull. The reason for his individual excellence, the breed character and pleasing qualities possessed by his get, and his success as a sire, is found in a study of his pedigree. Villager is by Village Beau, a Duthie-bred bull and the best stock bull seen by the writer in Great Britain a few years ago. His get have been so uniformly successful in the shows of that country that he is now rated as the greatest sire of the breed in Britain. Note reference to winnings of produce of Village Beau on another page. The dam of Village Beau, Village Maid 17th, is the granddam of Village Belle, a noted celebrity. The sire of Villager's dam, Rosy Cloud, is Chorister, a Collynie production whose get numbering 80 head in the Joliffe dispersion sale averaged 68 guineas. His granddam's sire, Misty Morning, was a first prize winner at the Royal and by the champion Pride of Morning, and his great granddam, Rose Blossom, was winner of first at the Royal, and is the dam of Pride of Avon, one of the greatest sires ever used by Duthie. Thus it will be seen that Villager's merit is inherited from a line of distinguished ancestry and he is passing it along to his get.

In This Sale—There will be thirty head bred to Villager, a few with calves at foot by him, and four daughters. Considering Villager's reputation as a sire of show stock, the stated merit of the females bred to him, the richness of the breeding, this offering presents a most exceptional opportunity to not only make selections of stock of unusual desirability, but of double worth because of the fact that they are bred to imported Villager, the greatest imported bull in America and one whose worth as a sire of show stock is long since established.

Whitehall Sultan 163573, bred by J. Deane Willis, Bapton Manor, Codford, Wiltshire, England, sire Bapton Sultan, dam imp. Bapton Pearl by Count Lavender. Bapton Pearl is remembered by those who saw her as one of the most perfect Shorthorn females ever seen in the English or American show yards, where she was a winner of many grand champion prizes and was sold by Mr. Willis at \$5,000 to come to this country. She was bred to Bapton Sultan, sold about the same time to go to South America. This mating produced Whitehall Sultan. The show yard record of this great sire is still well in the minds of breeders of Shorthorns and his achievements as a sire seem to mount to a higher standard and throughout a broader sphere with each succeeding year, for it is generally conceded that the blood of no other bull in recent years has made as much improvement or made if possible to preserve high individual excellence when it was already there as the blood of Whitehall Sultan.

Lavender Viceroy 223936, a Cruickshank Lavender bull, was got by Lavender Viscount, a celebrated champion of the American Royal and International Expositions.

Imp. Master of the Rolls 99463, a Lavender bull, got by Gondolier 92827, out of Lavender 45th by Baron Violet 90446.

Victor Linwood, a Cruickshank Victoria surpassing individual excellence, is the bull retained at Linwood as chief stock bull and successor to his sire, Imp. Cock Robin. His get amply justify, we believe, the position, as he bequeaths to them uniformly his wonderful substance, heart girth, back, style and finish. He also was awarded second prize as aged bull at the International in 1907, giving the Champion Whitehall Marshal a hard fight for first honors.

Imp. Cock Robin; a winner on both sides of the Atlantic, that has sired animals that have defeated the best at our greatest breeding shows. He combined the ability to win prizes with that of transmitting to his get these wonderful prize winning characteristics.

Imp. Star of the North was the first prize aged bull at the Chicago International Exposition, December, 1909, where he was sold at auction to Dr. J. D. Cole, Newburgh, Tenn., at \$1,840. He was selected by Mr. I. M. Forbes as a calf in 1898 from the herd of Her Majesty the late Queen Victoria. He was sired by Lord James (67361), out of the Cruickshank Clipper Cow Zoe 2d by Star of Morning (57189). Lord James was a son of the noted show bull Lord Douglas (64313). Star of Morning was specially noted as the sire of the champion prize bull Pride of Morning. He was out of a Field Marshal dam.

Baron Gloster, a red Cruickshank Duchess of Gloster bull used with great success in our herd. He was one of the shortest-legged and most compactly built bulls the Cruickshank tribes have produced. A bull of pronounced quality, he was always in the best of flesh on moderate keep and proved a wonderfully prepotent sire. His get have always been in great demand and sold at strong prices. He was sired by Commander 79556, out of Duchess of Gloster by imp. Julius 56643; imp. 22d Duchess of Gloster by Barmpton Prince 45247.

Queen of Scots 20th is a show cow when fitted and would be difficult to defeat anywhere. Imp. Cock Robin produced no better results than when mated with Duchess of Gloster females. This is the blood that produced Pride of Linwood, as good a bull as trods American soil, and many other of the top cattle of our herd.

Imp. Cock Robin, a roan bull; calved January 6, 1900; bred by C. H. Graham, Stirling, Perthshire, Scotland, and imported by I. M. Forbes & Son. He is of the same family as the noted prize winner Spicy Clara. His sire was Bright Star 180001, out of Mavis Clare by Spicy Robin 134607.

Bred March 14 to Villager 295884.

Victor Linwood, a Cruickshank Victoria of surpassing individual excellence, is the bull retained at Linwood as chief stock bull and successor to his sire, imp. Cock Robin. His get amply justify, we believe, the position, as he bequeaths to them uniformly his wonderful substance, heart girth, back, style and finish. He won second at the International of 1906 and with his full sister won first as produce of cow at same show. He also was awarded second prize as aged bull at the International in 1907, giving the Champion Whitehall Marshal a hard fight for first honors.

Imp. Pearlette, one of the many splendid Shorthorn cows imported about 1857 by the late R. A. Alexander of Woodburn Farm, Kentucky, whose herd at that time was probably the largest and best in the United States. Pearlette was a red-and-white cow, bred by S. E. Bolden, one of the leading English breeders of his day, noted for his connection with the Grand Duchesses. She was sired by the roan Booth bull Benedict, a son of the great Buckingham (3239), out of the beautiful Hawthorne Blossom by Leonard (4210). We are free to say that no other sort, not even the most approved Cruickshank families, have ever given us more gratifying results than have the Pearlettes. They have been regular breeders of high-class cattle, the bulls uniformly commanding good prices to head herds. This is the tribe that produced Baron Linwood 10th; first-prize bull calf at the Illinois State Fair of 1897, described by The Breeder's Gazette as "a low-standing, thick-fleshed, full-flanked calf of good length, with nice head and level quarters, weighing 1,060 pounds at eleven months."

Uppermill Lord won first at Iowa and Minnesota State Fairs the only times shown.

The Missie Family on account of having produced more high-class Shorthorns during the past twenty years than any other, is conceded by all to be the most valuable family in existence. The family was practically built up by the Messrs. Marr, Senior and Junior; they having purchased the cow Countess by Pacha (7612), from Capt. Barclay about the year 1850. Eighteen members of the family, old and young sold at the dispersion of the Uppermill herd for an average of \$830 each.
